REALEZA

Century old Fiuzza is a family estate that developed a modern portfolio of wines, combining indigenous Portuguese grapes with international varietals. Our wines embody the essence and tradition of Portuguese winemaking at the same time appealing to modern wine lovers.

"Realeza" is the Portuguese word for nobility and royalty. It pays tribute to Portugal's rich winemaking heritage and to the belief that life's most memorable moments do not need a special occasion. Realeza wines capture the authentic character of Portugal, bringing people together to celebrate the simple pleasures of everyday life.
